

Made from a blend of the characteristic red Tuscan grapes of Sangiovese and Canaiolo Toscana, hand harvested, fermented, gently pressed, and aged to perfection in Slavonic oak barrels. This is a Governo style Chianti in its purest form where a small amount of must from dried grapes is added to the new wine causing a second fermentation. This process adds depth and freshness to the wine. This is an intense intriguingly rich Chianti Classico, has a deep garnet color and an ethereal bouquet of earth, berries, and a distant aroma of wild violets.
